

Winchester Poetry Festival is a biennial festival that aims to be a round table for poetry where everyone is welcome - a hub for poetry locally, nationally and internationally.

Winchester Poetry Day will take place at The ARC on Saturday 5th October 2024 with performances to inspire and entertain all ages.

It may include:

- online/live streamed and in person events: workshops, childrens' events, panels, pop-ups and headline readings
- Our Winchester Poetry Prize 2024 prize-giving event, presented by the judge
- Featured poets to be confirmed

**This is not just a good festival, it's a great festival,
and this town should be very proud to have it.**
